QUALITY POLICY STATEMENT

Our organization is committed to SAE International Aerospace Standard AS9100 as Applied Avionics, Inc.'s quality management system model. We use this system as a tool to continually improve, meet and exceed expectations of our customers, and meet all regulatory requirements.

We aim to be a preferred manufacturer and supplier to our target markets by focusing on these quality objectives:

- 1) Outstanding Product Quality*
- 2) Exceptional On-Time Delivery*
- 3) Prompt, Professional Customer Service*
- 4) Maximize Value through Design and Technology*

The Applied Avionics, Inc. team will adhere to the spirit and intent of this quality management system and the directives of its Quality Manual and supporting documentation.
